Occupational Health and Safety (OHS) Policy of HWB

We, at Heavy Water Board, are committed to provide and ensure safe and healthy conditions for employees and plants, which is essential for achieving business excellence and continuously improve it by

- Compliance with applicable statutory requirements.
- Assessing the potential risk including those arising from release of hazardous substances and taking proactive measures for prevention of injury and ill health.
- Educating all employees including contract workers about OHS obligations and promoting their health awareness.
- Periodic review of OHS objectives and targets.
- Training of all employees.

HWB management strongly believes in maintaining and promoting the wellbeing of employees as key aspect of OHSMS.
